

## Precision Screwdriver Set 6pc

A set of precision screwdrivers in Phillips and Flat profiles, with colour coded ends for quick and easy screwdriver selection, in a great range of smaller sizes; Flat 2mm, 2.4mm, 3mm and Phillips Ph00, Ph0 and Ph1. The easy spin handle is ideal for speeding up repetitive jobs and there are high contrast size markings on the sides for easy identification. A high-quality set presented in a soft-lined storage tray to keep the screwdrivers safe and organised.
