

Matelas Tampon d'absorption de fluide visqueux

This oil absorbing mat has a 100% polypropylene construction, strong, durable and offers terrific absorption — 2.6 litre per mat. It measures 1000 x 800 millimeters, and has a plastic film backing to keep hands clean when handling. Its designed to absorb oil, brake fluid and petroleum-based fluids but repel water based fluids to ensure efficiency in your clean-up operation, to keep the workshop floor tidy, and reduce the risk of a slip hazard.
