

Cordless Tools 20V Bodyshop Kit (Euro)

A set of cordless power tools and accessories specifically selected for bodyshop use. Featuring two of the most popular and productive tools for the bodyshop - a cordless grinder for use with either flat or depressed centre 115mm cutting & grinding discs and a cordless 4-speed polisher for use with M14 compounding and polishing heads. Ideal for all types of surface treatment, from rough cutting/grinding, to final finish and polishing. Also supplied are two 20V 4.0Ah batteries allowing professional users to run one whilst one charges giving uninterrupted use, a 230V 4 amp mains battery charger (euro plug) and heavy duty storage bag. CE & RoHS compliant.
