## LASER®

## **Universal Joint Spline Bit Set 6pc**

This set of 6 universal joint Spline bits are 148mm long and have a 15° working angle allowing them to be used to drive fixings in narrow or hard to reach places. They feature a quick chuck connection allowing for an easy fitment into the 2 way handle, that is both positive and secure, and come supplied in a EVA foam tray making them easy to keep organised.

## **Additional Information**

- Sizes: M4, M5, M6, M8, M9, M10. Length: 148mm, with 1/4" shank.
- Integral universal joint for ease of access.
- Supplied with a 2 way quick chuck handle.
- Shaft manufactured from S2 steel with a matt chrome finish; bits from chrome molybdenum.
- · Presented in an EVA foam tray convenient for user storage and limiting packaging waste.
