

Trim Removal Wedge Set 5pc

Set of 5 trim removal tools suitable for the removal and installation of interior and exterior trim, door panels, dashboard fascias, upholstery panels or body mouldings & emblems, without causing damage to the trim or surrounding area.

Additional Information

- Plastic construction to help prevent paint/trim damage & reduces risk of marking bodywork, paint, plastics & glass.
- For internal & external trim in most modern cars, including trim strips, door trims, plugs & trim clips.
- Contents includes: wide wedge 190 x 60mm; thin wedge 190 x 30mm; angle wedge 230 x 30mm; felt tip wedge 250 x 20mm; door clip remover wedge 250 x 20mm.
- The wedge tools can also be used to help set panel gaps.
- Manufactured from hard wearing but non-marring plastic.
