

Magnetic Foldable Parts Tray

A collapsible silicon parts tray, with a magnetic base, ideal for keeping small components and parts close to hand. It features an ABS collar and base to keep it's shape, with the silicon sides enabling the tray to be folded away to a pocket sized 115 x 115 x 19mm when not in use. Suitable for use in the workshop and around the home and is ideal for automotive technicians, electricians, jewellers, modellers, hobbyists and DIY.

Additional Information

- Foldable storage tray ideal for parts, fixings and small tools.
- Size: 115 x 115 x 50mm (19mm folded height). Weight: 98g.
- Features 5 x strong (rare-earth) magnetics (each: 10mm x 2mm).
- Silicon covered base to prevent scratches and marking.
- Ideal for bicycle mechanics, automotive technicians, electricians, jewellers, modellers, hobbyists and DIYers.
